Dear Harold,

Thank you for sending us a copy of your book and congratulations on how well your book is selling. Maynard and Ruth Berger were here visiting recently and Maynard showed us an article in some financial or business paper (perhaps the Wall Street Journal) that said your book was now in its third printing.

As you can see from the top of this letter we now live in Washington D.C. We moved here in February as Harvey was offered a very good job here. He is working for Civic Education Service, a company that writes weekly newspapers for school children and other publishing in the educational field.

We like Washington very much. We rent a nice house with a yard - and the children have much more opportunity to play outside and ride bicycles, etc.

We would enjoy seeing you again and I
hope you can visit us the next time you are
in Washington. Our phone number is 244-4693.

Sincerely
Linda & Harry Arden
